COMPANY PRESENTATION DICTIONARY ENGLISH/FRENCH

COMPANY PRESENTATION :

Asia Home Furniture is leading supplier of wicker furnitures and provides complete outdoor and indoor solutions with high quality products and international designs.

Our main product ranges are outdoor patio wicker furniture, including synthetic rattan furniture (wicker furniture or resin rattan furniture or poly rattan furniture or PE rattan furniture) and indoor furniture including water hyacinth furniture.

Asia Home Furniture uses the latest development in water hyacinth treatment, polyethylene UV and water resistant materials to make a high quality versatile range of exterior and interior, patio and lounge furnitures. Our synthetic rattan furniture and water hyacinth furniture collections are ideally suited for gardens, restaurants, hotels, luxury villas and homes.

Asia Home Furniture uses top grade wicker and PE rattan to produce our furniture range, ensuring the durability and quality of the products. Our frames are made from well treated sources of solid wood and powder coated aluminum. Cushions are made to the highest standard with consistency and exclusive designs, utilizing the latest technology in manufacturing.

Asia Home Furniture is a team of professional and dynamic dedicated people. We commit to response to your request and questions within 24 hours. We will ensure the communication will be continuous and you will be satisfied. Also your feedbacks on our services are strongly appreciated.

Asia Home Furniture is a professional exporter and we have widely experiences in document handling in many countries.
